Did you know...

October is Manufacturing Month

Join Aggressive Hydraulics in celebrating manufacturing month at our open house.

Learn about our role as a leader in hydraulic cylinder manufacturing and engineering, tour our purpose-built facility, network with industry leaders, and learn about career options.

Open House Agenda Includes:

- Learning about the manufacturing industry
- See why we're a manufacturing leader
- Tour our purpose-built facility
- Network with industry experts
- Learn about career options

*All members of the community are welcome to attend.
We look forward to seeing and meeting you there.*
